

With Pierce Group YOU GET MORE Than Insurance Benefits

Dear Plan Administrator,

As a valued client and loyal partner, you already know that it's our mission to provide you with the best benefits and prices from the industry's highest rated companies. You may also know that designing custom benefits packages that match your needs and budget is our top priority. But, that's not our ONLY priority.

We realize that sometimes problems come up. Questions get asked. New laws pass. Employees want to know where they can access their benefits and find out more about wellness. You get the point. We've listened to and analyzed your concerns and points over the years and have made, and continue to make, changes to better accommodate you. That's why we continually offer information to help solve your problems, answer your questions and keep you up-to-date about the latest industry news.

Did you know with Pierce Group you also get :

- The benefit of Pierce Group launching your custom HR InTouch site.
- A custom designed and continually administered benefits website.
- Online and on-site enrollments.
- Custom benefits booklets.
- A team to help you develop and communicate a wellness program.
